Reg. 3b reads- Each licensee shall ensure that every employee who is involved in the preparation, sale, service or solicitation of alcoholic beverages or the sale of tobacco products completes a training program approved by the department of liquor control before the employee begins preparing, selling, serving or soliciting orders for alcoholic beverages or selling tobacco products and at least once every 24 months thereafter. Each licensee shall maintain written documentation, signed by each employee trained of each training program conducted. A licensee may comply with this requirement by conducting its own training program on its premises, using information and materials furnished by the department of liquor control. A licensee who fails to comply with the requirements of this subsection shall be subject to a suspension of no less than one day of the license issued under this title.

Non Transferable to other Establishments

Gen. Reg. #8 reads- Licensees, permittees or employees of licensed establishments and permitted locations shall allow at any time, a member of the Liquor Control Board, the Commissioner, Commissioner of Taxes, or any of their assistants or Investigators to examine the premises as well as all records, papers, stock or merchandise in reference to his or her license or permit, and shall keep such records for inspection as the Board or the Commissioner of Taxes may require. All licensees shall keep on their licensed premises for a period of two years a complete record covering the operation of their license, including all invoices covering the purchase of alcoholic liquor, and wholesale dealers must keep records of their sales. If a person has more than one license, the records must be kept on the premises of each licensed establishment unless authorized in writing by the Liquor Control Board.
